

2024 Virginia Water Monitoring Council Conference

Tuesday, **September 24, 2024**

Virginia Public Safety Training Center (Knox Hall)
7093 Broad Neck Rd, Hanover, VA 23069

Thank you for your interest in exhibiting at the 2024 Virginia Water Monitoring Council (VWMC) Conference! Approximately 100 professionals and citizen scientists will attend this year's conference. Many work for local governments or state agencies. We will also have attendees from environmental consulting firms and academia, as well as water monitors with non-profit organizations.

Conference exhibitors will receive a tabletop booth space, registration for one person to attend the conference, and recognition on promotional materials. All exhibitors will be recognized on the conference website, in conference promotions, and on materials distributed at the conference. Exhibitors will also be recognized during the conference, and attendees will be encouraged to visit with exhibitors during breaks and at lunch.

Space is limited and is allotted first come, first served. Exhibitor fees are \$300.

EXHIBITOR INFORMATION

Each exhibitor will be provided a table (approximately 2' x 5'). All exhibits will be in the same room as the registration table, presentations, morning coffee, lunch food service, and afternoon break. Each exhibitor can have one representative attend the conference. Lunch and refreshments are included for the representative.

Exhibitors can begin setting up at 8:45 a.m. on September 24, 2024. Registration starts at 9:00 a.m., and the conference begins at 9:30 a.m. The conference will be over by 4:00 p.m., and we request that all displays stay up until 4:00 p.m. or a bit later. We need to be out of the building by 5:00 p.m.

Electrical sockets are limited in the space. If you will need electricity, please let us know ahead of time so that we have extension cords for your use.
